

Entrance Ceremony in the Province of Incheon, South Korea

On Mar 2, 2014, the Regina Pacis Province welcomed two young women – Lee YuHyun, Veronica and Ahn YuJin, Gertrude, as postulants.

We had a ceremony full of joy and laughter for them with about 200 family members and friends, followed by a Holy Mass at which four priests concelebrated. The two new members of the Notre Dame family have begun their postulancy amidst the love and blessings of the whole community.

We recommend them into your prayers, so that the beginning of their religious life may be a happy one within God's love, which they can feel through the community.
