

## Korean Sisters attending the Spirituality Renewal Program in Coesfeld, Germany

May 26<sup>th</sup>, 8 Korean sisters were welcomed by Sr. Marie Emma who had already been in Coesfeld, Germany in preparation for the guidance of this special program. During 2 weeks of workshop, they reflected on how to integrate our spirituality and spirit in our life and what attitudes we need to have to transform our community for mission.

The workshop includes a visit to our Heritage Centre and St. Lamberti Church. Under the Coesfeld Crucifix where our foundress sisters received a special calling, they remembered all the Sisters of Notre Dame and thanked God for their holy vocation. The sisters also asked for a grace to be faithful to this calling.
