

First Profession, Bangalore, India

Hearty congratulations to our dear Sister Mary Athira as she pronounced her first vows with faith, confidence and love in serving our good God. It was an auspicious day indeed to have the profession on July 12th as we celebrated the birthday of our Spiritual Mother Saint Julie Billiart.

There were a good number of Sisters represented from other close by communities. Sr.M.Athira was filled with joy and happiness of having committed herself to be a member of Sisters of Notre Dame. We are proud of her and support her with our love and prayer.

May St. Julie be your model and inspiration to follow Jesus Christ like a sunflower that follows every movement of the sun.
