

Spirituality Renewal at the Motherhouse, Italy

The sisters in the *Casa Madre* Community are participating in the Congregational Spirituality Renewal from March 1 until March 22. The two week workshop and retreat are being led by Sister Mary Kathleen Burns, from the Thousand Oaks Province. Sister is being assisted by Sister Maria Julindis, from the Generalate.

While the Motherhouse sisters are involved in the Renewal, the classes for the sister-students in the language course are continuing under the direction of Sister Mary Kristin who is substituting for Sister Maria Josefa while she is involved in the renewal. It is quite obvious that a spirit of renewal is permeating the house in one way or the other!
