The show was prepared with much love, showing that God is the light who guides us, making the Christmas spirit a true reality.

In this way the Notre Dame Schools want to enlighten the world with LIGHTS OF HOPE – wishing that Jesus enlightens Christmas with the hope of better days and special moments in everyone's life.

May he enlighten families to understand that understanding is the basis of everything. May this Christmas be more than a party, but a celebration of a new beginning full of peace and love among men and women of good will.
