

Happy Easter, 2016, Rome, Italy

Easter Greetings from the Motherhouse Community! The Triduum and Easter celebrations found the Motherhouse sisters out and about in Rome.

Sisters from Casa Madre joined our sister students at the Coliseum for the Way of the Cross with Pope Francis, a yearly event in which thousands of pilgrims to Rome participate.

On Holy Saturday our sisters spent time coloring the Easter eggs that the Community enjoyed on Easter day during our festive meals. Some sisters attended the Easter Mass at St. Peter's while others celebrated in our Motherhouse chapel.

In all the liturgical celebrations all our sisters throughout the world were remembered and held in prayer. May your Easter Season be filled with love, peace, and joy of our Risen Savior!
