

Sr.Marilyn visits the Motherhouse, Rome, Italy

Sister Marilyn Sabatino arrived at the Motherhouse on June 16, 2016. Sister Marilyn is no stranger to the Motherhouse, having served here for three years from 1999 - 2002 before returning to her home province of Chardon. As a Jubilee gift, Sister was given the opportunity to visit her family in Sicily and to spend some time at the Motherhouse.

Sister's familiarity with Italian made it possible for her to minister at the local parish when she was here earlier. She also worked with the staff and was responsible for the creation of the N.D. bush arrangement one sees when arriving at the Motherhouse. Sister is enjoying meeting up with her friends from by-gone years and they are enjoying reconnecting with her.
