

Sr.M.Patricia Dorobek Returns Home, Rome, Italy

On June 20 Sister Mary Patricia Dorobek returned to her home province of Toledo. Sister Pat returns after completing a four year term as the Congregational Justice, Peace, and Integrity of Creation promoter.

Sister is well known to the Congregation since during her term as the JPIC promoter she visited most of our units providing in-service to our sisters. Sister did much to initiate the JPIC office here in Rome, being our first Congregational Promoter. Sister was also very involved in the JPIC committees sponsored by the Union of Superiors General (UISG) here in Rome. Her presence will be missed in the Motherhouse community where she continually kept us all aware of global issues.
