

Chapter Delegates' Arrival, Coesfeld, Germany

The sister attending the General Chapter arrived throughout the day on Wednesday, September 29. They flew in to the Dusseldorf Airport from Korea, Indonesia, Brazil, Rome, P.N.G. and the U.S.A. They were brought to the Kolping Center by van, car, or bus. By nine o'clock all were present and settled into their "home away from home". We are very grateful for the prayers for the safe arrival of all.
