

L&P Report and Province Reports

October 5, 2016

Mr. Shane Cowley, managing director of the L&P firm, presented the L&P Congregational finance report. When introducing Mr. Cowley, Sister Gina Marie gave a brief history of our work with the firm since 2008. The unit leadership received their province reports following the presentation.

The province/delegation reports began in the afternoon with the Coesfeld province presented by Sister Maria Anneliese. A presentation by Sister Maria Sylvia from Tegelen followed. The day concluded with presentations by Sister Margaret Mary from Chardon and Sister Mary Ann Carla from Thousand Oaks. Following each presentation the Chapter reflected on the question, “What have you heard that could be the seed of something prophetic for the life of the Congregation?”
