

Missioning of the International Community, Rome, Italy

The Sisters of the International Community Sister Maria Almuth Göke of the Coesfeld province, Germany, Sister Maria Henrika Sitanggang of the Jakarta province, Indonesia, Sister Kerstin Maria Deubel of the Toledo province, USA, and Sister Marie MuYoung Cho of the Incheon province, South Korea, were missioned on Saturday, May 13th in a simple but lovely ceremony in the Motherhouse Chapel.

Sister Mary Kristin missioned each Sister and gave each of them a beautiful candle and a small icon of the Road to Emmaus to remind them of their mission to build community among each other, to be a house of welcome for our sister pilgrims, to reach out to the European Province as well as to the local parishes and the people of Coesfeld. The new Emmaus community left for Germany the following Monday to begin this new adventure.
