

Silver Jubilee Celebration in Regina Pacis Province, Incheon

On Aug. 20, 2023, a silver jubilee celebration of Srs. Marie Vianetta, Marie Samuel, Marie Lenis, and Marie Rita was held at the provincial house in Incheon. Having faithfully lived our charism and mission in various ministries as Sisters of Notre Dame, each of the four jubilarians had a personal renewal according to her ministry for 6 months, which ended with the jubilee Mass.

The Mass was celebrated by Fr. Angelo Kim, the social pastoral office director, and Fr. Mark Lee, the youth office director, both from the Chuncheon diocese. For the past few years, we could not have a jubilee celebration with other sisters together in person, because of the Covid 19. As the situation has become better, many sisters from several communities in Incheon, Seoul, and Gyunggi Province came to share this day's joy.

We are grateful for the love and provident care of our good God, who always accompanied them on their religious journey. Let us continue to pray that they are armed with God's blessing and love and become a sign of Christ to the world.
